Dear Mr. Downs:

This letter is in response to a request by the Utah Division of Solid and Hazardous Waste for the City of Lehi to provide financial assurance for the closure and post-closure of its Class IVb Landfill originally permitted on February 1, 1999.

In 2003 the City issued Sales Tax Revenue Bonds and received a bond rating from Standard & Poor's. Standard & Poor's gave Lehi City an A+ rating on these bonds and has since upgraded the City's rating to an AA-. Please find attached Standard & Poor's report stating the bond rating and the bond issue.

Re: *City of Lehi, Utah, Sales Tax Revenue Bonds (SPUR)*

Dear Mr. Foggin:

Standard & Poor's has reviewed the Standard & Poor's underlying rating (SPUR) on the above-referenced obligations. After such review, we have affirmed the "AA-" rating and stable outlook. A copy of the rationale supporting the rating and outlook is enclosed.

The rating is not investment, financial, or other advice and you should not and cannot rely upon the rating as such. The rating is based on information supplied to us by you or by your agents but does not represent an audit. We undertake no duty of due diligence or independent verification of any information. The assignment of a rating does not create a fiduciary relationship between us and you or between us and other recipients of the rating. We have not consented to and will not consent to being named an "expert" under the applicable securities laws, including without limitation, Section 7 of the Securities Act of 1933. The rating is not a "market rating" nor is it a recommendation to buy, hold, or sell the obligations.

This letter constitutes Standard & Poor's permission to you to disseminate the above-assigned rating to interested parties. Standard & Poor's reserves the right to inform its own clients, subscribers, and the public of the rating.

Standard & Poor's relies on the issuer/obligor and its counsel, accountants, and other experts for the accuracy and completeness of the information submitted in connection with the rating. To maintain the rating, Standard & Poor's must receive all relevant financial information as soon as such information is available. Placing us on a distribution list for this information would facilitate the process. You must promptly notify us of all material changes in the financial information and the documents. Standard & Poor's may change, suspend, withdraw, or place on CreditWatch the rating as a result of changes in, or unavailability of, such information. Standard & Poor's reserves the right to request additional information if necessary to maintain the rating.
